Education

UC Berkeley B.A. Cognitive Science, B.A. Data Science

Relevant Coursework: Full Stack Web Development, Web Design, Intro to Figma, Intro to Building Mobile Apps (iOS)

Experience

UX Designer Augene Beauty

Jun 2024 - Aug 2024

Designed and launched a Framer-based website showcased at startup conferences, translating complex microbiome science into clear storytelling. Prototyped customer-facing dashboards of recommended products, key skincare ingredients, and microbiome data to help users make informed skincare decisions.

VP of Technology Innovative Design

Jan 2024 - Dec 2024

Designed and developed responsive event pages and interactive marketing microsites in 3–5 day sprints, elevating brand consistency and user engagement. Maintained website for a 100+ member organization, ensuring accessibility compliance, consistent branding, and seamless event communications.

Web Design Team Lead VITA

Aug 2024 - Dec 2024

Led design and development of VITA's responsive website, expanding access to free tax filing resources supporting 1,000+ returns and \$1.9M in refunds annually. Mentored a 10-person team, teaching fundamentals of Figma and HTML/CSS over 10 weeks, and led them in building user-friendly interfaces and the live VITA site.

Lead Marketing Associate UC Berkeley RecWell

Mar 2023 - May 2025

Spearheaded the NIRSA award-winning rebrand, designing cohesive visuals across digital signage, social graphics/reels, newsletters, and website updates. Managed social media, campaigns, and website updates (45,000+ member audience), achieving 20.9% social growth and 70% email open rates.
